About Me

Highly motivated web developer with a strong technical background and a passion for building user-centric websites and applications. Proficient in front-end technologies, eager to learn and contribute to a collaborative team environment. Fluent in English and Urdu.

WORK EXPERIENCE

Jun 2025 - present

(Virtunests Solutions)

Front-end Developer

- Developed responsive and user-friendly web applications using HTML, CSS, JavaScript, React, and Tailwind CSS.
- Collaborated with teams to deliver projects on time, applying feedback to enhance design, functionality, and performance.
- Strengthened frontend skills by learning and implementing modern tools, frameworks, and best practices.

Feb 2024 - May 2025

(Zenth Solutions)

Intern Front-end Developer

- Assisted in creating and styling basic web pages using HTML, CSS, and React under guidance of senior developers.
- Supported the team in fixing small UI issues and making minor improvements to existing projects.
- Learned and practiced frontend workflows, version control (Git), and team collaboration tools during the internship.
